We introduces a new chapter within the community. A collection of detached villas and townhouses, surrounded by nature. Phase III also introduces a new range of shared amenities, conceived for the wellbeing of residents across the entire community—Phases I, II and III. New to Phase III, these three-bedroom townhouses bring kitchen, dining and living areas together in one open space at street level, while all three bedrooms are privately arranged upstairs. Gardens of up to 80 m², direct street access and a private road reserved for the townhouses create an easy everyday rhythm, surrounded by pines and with the pool close at hand.
