Overview:UNIQUE OPPORTUNITY IN THE HEART OF MARBELLA, FRONTLINE TO THE SEA WITH TOURIST LICENCE! Magnificent investment opportunity on Marbella's Paseo Marítimo, just steps from the beach and next to the Marina, surrounded by restaurants, shops, leisure facilities and all amenities, in one of Marbella's most sought-after tourist areas. The property offers approximately 40 m2 plus a terrace currently enclosed and converted into an additional bedroom, an independent kitchen and a spacious bathroom. It enjoys a southeast orientation, while the building offers concierge service and communal gardens. The building is currently undergoing restoration works. A renovation would allow you to optimise the layout, make better use of the available space and significantly enhance its rental potential and value. Thanks to its tourist licence and exceptional location, it offers several investment strategies: tourist rental, renovation and resale, or long-term investment. RENTAL POTENTIAL & CAPITAL APPRECIATION The area is also benefiting from major port improvement and transformation projects. The expansion of La Bajadilla Port involves a planned investment of more than €200 million, increasing its capacity from 268 to 750 berths. In addition, a €1 million investment plan is underway for the improvement and maintenance of Marbella's main Marina, Puerto Deportivo Virgen del Carmen. These developments further strengthen the appeal of the area and its potential for future capital appreciation, making this an especially attractive opportunity for investors. A rare combination in Marbella: frontline sea location, tourist licence, prime central location and strong investment potential.
