Overview:A particularly valuable feature of this property is its existing tourist rental licence, offering buyers the opportunity to explore holiday rental income alongside personal use. This makes the penthouse especially attractive both as a luxurious second home and as an investment property on the Costa del Sol. Largest Ground-Floor Duplex in Marbella Club Hills – 238 m² Living Space This spacious ground-floor duplex is located in Marbella Club Hills, Benahavís, and is the largest ground-floor duplex in the development, offering 238 m² of living space over two levels. The property has approximately 180 m² of private garden and 49 m² of terraces, with panoramic views towards the Mediterranean Sea, Gibraltar and the African coastline. The property currently offers 4 bedrooms, 3 en-suite bathrooms, a guest toilet and 2 additional rooms. One of the main advantages of this particular unit is that the rear part of the main living level has already been developed and incorporated into the property. This area provides two additional rooms and significantly more usable interior space than the standard units within the development. The main level features a spacious open-plan living and dining area with direct access to the terrace and private garden. Large windows provide plenty of natural light and open views towards the sea. The open-plan kitchen is fully fitted and integrated into the living area. Also on this level is the master bedroom with an en-suite bathroom including a bathtub and separate shower, as well as access to a covered terrace with sea views. A further room on this floor can be used as a bedroom, office or guest room. The lower level comprises two additional bedrooms, both with their own en-suite bathrooms. The private garden of approximately 180 m² and the 49 m² of terraces provide generous outdoor space for dining, entertaining and relaxing. The size and layout of the property offer considerably more indoor and outdoor space than many other apartments within the development. Marbella Club Hills is a modern residential development in Benahavís, surrounded by nature and close to Marbella Club Golf Resort, Los Arqueros Golf and Villa Padierna Golf Club. The development offers excellent communal facilities including a swimming pool, gym, sauna and Turkish bath/hammam. The property also includes 2 private parking spaces and a storage room.
