This outdoor oasis provides ample room for both sumptuous lounging and elegant al-fresco dining, perfectly positioned to capture the dramatic sunsets that paint the sky every evening over San Pedro, the verdant golf courses, and the vast expanse of the sea. Nestled within one of Nueva Andalucía's most emblematic and recognisable developments, this property enjoys a commanding and prominent position. Its elevated locale offers a truly open and fully panoramic spectacle, a rare privilege that sets it apart. Imagine starting your day with the tranquil beauty of the Golf Valley unfurling before you, and ending it with the horizon ablaze in hues of orange and gold as the sun dips behind the Pillars of Hercules. This is not just a view; it is a daily masterpiece.

The exclusive gated complex is strategically situated on the prestigious road connecting Magna Golf and Las Brisas Golf, with the renowned Los Naranjos Golf Club just beyond. This makes it an absolute dream destination for golf aficionados, offering immediate access to some of Europe's finest courses and verdant landscapes. Driving into the community, residents and guests are immediately impressed by the stunning architectural presence of the buildings, their sheer scale, and the immaculately manicured landscaped gardens.
