A Coveted Address in the Heart of the Costa del Sol

Embrace the serene charm and sophistication of the established residential area of Los Almendros / Puerto del Almendro. This exceptional estate boasts a prime frontline position overlooking the manicured greens of Los Arqueros Golf, offering panoramic vistas and direct access to one of the region's premier courses. The location combines tranquil, secure living with unparalleled convenience; the vibrant culinary scene and amenities of San Pedro de Alcántara are a mere 9 minutes away, while the glamorous marinas and boutiques of Puerto Banús and Marbella are within effortless reach, solidifying its status as a truly desirable address in Benahavís.

The Existing Canvas: Substantial Foundations for Grand Design

Built in 1977, the current villa, spanning an impressive 452 m², offers a robust and adaptable foundation for a comprehensive transformation. Thoughtfully arranged primarily across a single level, the existing structure provides a substantial footprint upon which to build, redesign, or expand. This property is an ideal starting point for a contemporary renovation, allowing a new owner to infuse modern luxury and personalized design into one of Benahavís' most established and revered residential settings, truly maximizing its inherent potential.

Property Features: Comfort and Functionality Await Transformation

The current layout provides ample space and functionality, ready to be reimagined. The main house features three generously proportioned bedroom suites, each offering privacy and comfort, complemented by a total of four well-appointed bathrooms. Expansive living and dining areas provide the perfect setting for entertaining guests or enjoying intimate family moments, while a large kitchen with a distinctive vaulted ceiling presents an exciting opportunity for a gourmet redesign. Practical elements include a dedicated garage, a versatile storage room, and fitted wardrobes in all bedrooms, ensuring everyday convenience. Essential comforts such as air conditioning are already in place, alongside a refreshing private swimming pool, lush mature gardens, and multiple terraces that invite outdoor living. Its desirable south-facing orientation ensures abundant natural light and warmth throughout the day, enhancing the overall living experience.

The Ultimate Opportunity: An Expansive Plot with Limitless Potential

While the existing villa provides a solid framework, the true unparalleled value of this offering resides in its extraordinary 5,000 m² private plot. For a frontline golf position in such a prestigious Benahavís location, the current construction is notably underbuilt, presenting a rare and compelling opportunity for significant expansion, architectural redesign, and complete repositioning. This generous expanse of land provides clear scope to create a bespoke residence on a grand scale, allowing for an ambitious architectural vision that seamlessly integrates with the breathtaking surroundings, subject to relevant planning permissions.
