Then return home to your own heated pool, jacuzzi, private cinema and rooftop terrace overlooking the sea and La Concha. Fully renovated in 2023, this contemporary villa in San Pedro Beachside combines the privacy of a home with its own garden with the convenience of one of Marbella's best locations for everyday living. Situated approximately 270 metres from Cortijo Blanco beach, it allows you to enjoy the coast without having to plan every outing around the car. A LOCATION THAT TRANSFORMS EVERYDAY LIFE Dozens of restaurants, cafés and local venues, sports clubs, shops, supermarkets, bakeries and patisseries are within walking distance. Pick up fresh bread, do your shopping, meet friends for dinner and walk home afterwards. At the same time, the villa enjoys a peaceful setting in San Pedro de Alcántara, with a private garden and space to unwind. Nearby, Nueva Alcántara Club offers padel courts and a restaurant, while THE I/O provides fitness facilities. Laude San Pedro International School is approximately 300 metres from the property. The beach and seafront promenade invite you to enjoy morning walks, jogging and cycling towards Puerto Banús and the Golden Mile. This is a location where an active day, a family afternoon and an evening of good food are equally easy to arrange. A further attraction is the planned coastal regeneration project in San Pedro de Alcántara, which envisages restoring sandy beaches and protecting them against erosion. LIVING SPACES WITH SEA AND MOUNTAIN VIEWS The spacious living room overlooks La Concha and features a striking Faber gas fireplace, creating a welcoming atmosphere beyond the summer season. The dining room, with seating for 10–12 people, provides ample space for family meals and entertaining friends. From the fully equipped kitchen, you can enjoy sea views while cooking. Breakfast outdoors, leisurely dinners and quiet evenings over a glass of wine can become part of your daily routine. FOUR BEDROOMS FOR FAMILY AND GUESTS The bedroom level accommodates three bedrooms and spacious terraces. The Master Bedroom has its own bathroom and views of La Concha. The other two bedrooms share a bathroom. A garden-facing terrace with direct access to the garden makes outdoor living especially convenient. The fourth bedroom is located on the lower level.
