Underfloor heating and individual air conditioning throughout ensure year-round comfort. Outside, the villa is designed around relaxed Mediterranean living. A heated private swimming pool sits at the centre of the garden alongside several terraces, lounge areas, and outdoor dining spaces that work equally well for entertaining or everyday family life. The property also includes a full-sized private tennis court, outdoor kitchen, barbecue area, gym, games room, and a separate guest or staff apartment with its own private entrance. The mature landscaped gardens provide a strong sense of privacy while still allowing the home to feel open and connected to its surroundings. A large private driveway offers parking for multiple vehicles, and advanced security systems provide additional peace of mind.
