Overview:Discover a distinctive eight-bedroom, eight-bathroom detached villa in Marbesa, Marbella East, set on a generous 1,425.6 m² private plot approximately 800 metres from the beach. With 710 m² of reported built area, this property combines space, privacy and traditional Andalusian character. Originally constructed in 1969, the villa offers a flexible layout across two levels. The main residence includes four bedrooms, a living area, a fitted kitchen and a terrace, with traditional architectural details adding to its individual appeal. Two independent apartments provide additional accommodation, each featuring two bedrooms, two bathrooms, a kitchen and a living area. This arrangement is particularly attractive for extended families, visiting guests or buyers seeking separate living spaces. Outside, mature gardens surround a private swimming pool, with covered and uncovered terraces offering areas for relaxation and outdoor dining. The property also benefits from sea, mountain and garden views. Offered at €2,695,000, this versatile villa presents an opportunity to acquire a substantial property close to the Mediterranean coast, with potential for multigenerational living or alternative residential uses, subject to the relevant permissions.
