This seamless transition is a hallmark of luxury coastal living, inviting the gentle Mediterranean breezes to flow through your home.

The garden itself is a true highlight, conceived as a private sanctuary. It boasts lush, low-maintenance artificial grass, providing verdant beauty year-round without the upkeep. A carefully curated selection of established fruit trees, including sweet figs and pomegranates, adds character, natural fragrance, and the joy of fresh produce from your own backyard. From various vantage points, residents can enjoy enchanting partial sea glimpses and majestic mountain views, framing the perfect backdrop for daily life. Its substantial size and remarkable degree of privacy render it an ideal setting for serene relaxation, sophisticated al fresco dining, or lively gatherings with loved ones, allowing you to fully immerse yourself in the glorious Mediterranean climate throughout all seasons.

The heart of any home, the kitchen, is a triumph of both style and functionality. This fully fitted culinary space is equipped with an array of premium, quality appliances that cater to every gastronomic desire, ensuring that preparing meals is always a pleasure. Complementing the kitchen is a separate, remarkably spacious utility room, a practical luxury that offers abundant additional storage solutions and holds the excellent potential to be transformed into a dedicated pantry. This indispensable area also neatly houses the washing machine and a state-of-the-art boiler, thoughtfully installed within the last year, guaranteeing efficiency and peace of mind for years to come.

The apartment is thoughtfully designed to offer two generously proportioned double bedrooms, each a private retreat, accompanied by two elegantly appointed bathrooms. The master suite is a true sanctuary, benefiting from a luxurious en-suite bathroom. This spa-like haven features indulgent double washbasins, a revitalizing hydromassage shower, and a sumptuous bath, providing an oasis for rejuvenation. Furthermore, the master bedroom enjoys the privilege of direct access to the garden via its own private covered terrace, offering a serene spot for morning coffee or an evening nightcap. The second double bedroom is equally impressive in size and comfort, served by a second full bathroom, ensuring ample space and convenience for guests or family. A noteworthy feature of both bathrooms is the thoughtful inclusion of windows, providing natural ventilation and infusing these spaces with fresh air and light, a desirable advantage often overlooked.
