This property places you at the epicentre of it all, where the aroma of orange blossoms mingles with the sea breeze, and every corner reveals a new delight. It boasts three generously proportioned bedrooms, each designed as a serene retreat, complemented by three sumptuously appointed modern bathrooms. What truly sets this property apart are its multiple private outdoor havens, culminating in a spectacular 47 m² rooftop solarium – an extraordinary amenity rarely found within the historic core of Estepona.

The ground floor introduces a bright and inviting open-plan living and dining area, where elegant finishes meet bespoke design. High-quality materials and a refined aesthetic create an atmosphere of understated luxury. The adjoining state-of-the-art kitchen is a culinary enthusiast's dream, featuring a full suite of integrated Bosch appliances, including an efficient induction hob and a sophisticated wine cooler, perfect for entertaining or daily gourmet preparations.
