Description

Discover this exceptional brand-new luxury villa in Linda Vista Baja, one of San Pedro de Alcántara's most desirable beachside neighbourhoods. Completed in 2026 and just a seven-minute walk from the Mediterranean, this contemporary four-bedroom home combines striking architecture, beautifully considered interiors and outstanding private wellness facilities, only minutes from Puerto Banús and Marbella. Designed by acclaimed architect Carlos Lamas, the south-facing villa occupies a 611 m² plot and offers 361 m² of interior space across four levels, plus 263 m² of covered and open terraces. Interior designer Blanca Pera has created an elegant, welcoming atmosphere with natural textures, bespoke timber finishes and refined detailing. Full-height Technal glazing fills the open-plan living and dining areas with daylight and connects them effortlessly to the gardens and pool. The contemporary kitchen features DICA cabinetry, Siemens appliances and a generous central island, ideal for relaxed family living and entertaining. A guest bedroom and separate guest toilet complete the ground floor. Upstairs, three additional bedrooms each have an en-suite bathroom and private terrace overlooking the gardens. The principal suite also enjoys a dedicated dressing room, while the rooftop solarium provides another inviting space to unwind in the sunshine. Landscaped by La Menara, the tropical garden is a private oasis of palms, fruit trees, Mediterranean planting and a charming herb garden. An elegant mosaic-finished overflow swimming pool is surrounded by sun terraces and covered porches, creating wonderful settings for alfresco dining, entertaining and enjoying the Costa del Sol climate. The lower level elevates this home beyond the ordinary, with a private cinema, games room, fully equipped gym and spa featuring a Finnish sauna and Turkish bath. A wine cellar, storage rooms and additional guest toilet add everyday practicality. Premium technology includes Illusion home automation, lighting and sound design, Sonos audio, underfloor heating, security alarm, video entry and automatic irrigation. A private two-car garage completes the property. This prime Linda Vista Baja location offers the rare convenience of beachside living close to everything. The promenade, El Ancla and El Barbillón beach restaurants are nearby, as are San Pedro's shops, cafés and amenities. Laude San Pedro International College, Colegio San José and renowned golf courses are within easy reach, while the luxury boutiques, marina and dining of Puerto Banús are only a short drive away. A superb opportunity to own a newly completed contemporary villa in San Pedro de Alcántara, combining privacy, designer finishes and resort-style facilities within walking distance of the beach.
