Overview:Charming and rustic 3-story villa! Create your own masterpiece! In one of El Rosario's most sought-after addresses you will find this hidden gem - an impressive plot of 1,951 m² that offers total privacy with lush nature and a glimpse of the Mediterranean Sea. With a perfect south/southwest location, the property is bathed in sun from morning to evening. Here you have the unique opportunity to either completely renovate the existing three-storey villa, or take the opportunity to build a brand new, modern luxury home that extends across the entire generous plot area. The existing layout currently accommodates several bedrooms, bathrooms, garages, as well as large terraces and a veranda. The enormous garden houses a private pool and has the potential to be transformed into a spectacular, resort-like oasis with an outdoor kitchen, lounge area and beautiful plantings. Thanks to the fact that the plot has access from two opposite sides, you get a smooth infrastructure, perfect for a grand driveway and maximum accessibility. This is the ultimate project for those who are not satisfied with standard, but want to shape one of the area's most magnificent private residences.
