The property features three bedrooms—including a master suite with an en-suite bathroom—a second full bathroom, and a living area with an integrated dining space. The kitchen is fully functional. The property includes a terrace enclosed with a Lumon glazing system, which expands the living space and allows for year-round enjoyment of the outdoors, regardless of the weather. An adjoining private patio offers privacy, a connection to the outdoors, and access to the community gardens. Amenities include a dedicated parking space and a separate storage unit. The location is ideal for those who value a balance between tranquility and accessibility: situated a short distance from Estepona and close to local beaches, while still offering the sense of seclusion typical of well-preserved natural surroundings.
