Located on the ground floor, it offers 59 m² of usable space, comprising a bathroom, a spacious living/dining/sleeping area (currently configured with the bed in the living area and the designated bedroom space used as a walk-in closet—though the layout can be adapted to your preference), and a fully equipped kitchen. It also features a fantastic 15 m² covered terrace—accessible from the living area—furnished with a rectangular wooden table and chairs for four, perfect for relaxing and enjoying the pleasant weather from the comfort of your own home.
