Distributed across four levels, the property offers three bedrooms, three bathrooms and bright interiors with authentic Andalusian character. A traditional private patio creates a natural extension of the living space, while several terraces lead to a rooftop solarium with panoramic views of the Mediterranean Sea and La Concha mountain. The home is well maintained and ready to move into, with an excellent opportunity to modernise and personalise the interiors. Residents also benefit from landscaped communal gardens, a swimming pool and parking. Solana de Nagüeles offers a peaceful residential setting in the heart of the Golden Mile, with Marbella's finest restaurants, beach clubs and lifestyle destinations close by. Puente Romano, Forum Marbella, the Mediterranean coastline and the King Abdulaziz Mosque are all within walking distance. Marbella centre, Puerto Banús and the A-7 and AP-7 are easily accessible, making this an attractive option for both permanent living and a holiday home in Marbella.
