Описание: This show apartment is ready to move in. It has so much to offer. Apartments in Cascadas de Lomas are known for the quality and their total size. The living area leads out to the large terrace with amazing views all over the coast line. The terrace has glass curtains and an built in BBQ. The living/dining area is very bright and gives you a feeling of space . Especially because of the open kitchen concept. The property has two large bedrooms both with en-suite bathroom. The property comes with private underground parking and storage. The urbanization has 3 pools and a small gym for the owners.
