Описание: It is increasingly difficult to find a good opportunity to invest in the center of Fuengirola. Here we offer a great opportunity to acquire a flat completely refurbished, Scandinavian style and in the heart of Fuengirola! The building has disabled access and lift and water included in the community fee. The apartment is distributed in 2 bedrooms, 1 bathroom, living room, kitchen, laundry room and terrace. Being a fifth floor without tall buildings in front, it has open views of the sea and the marina. Feel free to contact us for more information.
