Описание: Beautiful bungalow-style villa located in a quiet street, second line to the golf course in the established and popular neighbourhood of Guadalmina Alta. South-west facing and very private. The house is built mainly on one floor, there is a separate bedroom with bathroom on the lower floor with its own entrance. The garage is also on the lower floor. The villa is partly renovated and provides very comfortable living. Highlights includes the large kitchen area - semi open to the dining room; the living room with its feature fireplace; a west facing covered terrace overlooking the pool area; several outdoor covered and uncovered patios. The garden area surrounds the house, and features a small vegetable garden at the back of the house, fruit-trees, and the inviting swimming pool. Viewings highly recommended.
