Описание: Casa Mata with style, very well located, a few steps from Aquamijas, originally with 2 bedrooms, and currently with 1 bedroom and 1 bathroom. Certain parts of the house have been renovated, but it needs the final touch up if you wish, it has a small interior patio and a large solarium terrace. It has a southwest orientation. The house is on a quiet street, without noise or traffic. If you wish, it is also possible to build one more floor and attic. Do not miss this great opportunity!
