Описание: This is a great 3 bed townhouse by the beach in Costalita walking distance to amenities and of course the beach. This house is set over three levels. The lower level has 2 large bedrooms, one bathroom and direct access to the garden. The first floor has a fabulous open plan kitchen and sitting room with fireplace which flows perfectly onto the main terrace with steps down to the garden and direct access to the pool. Upstairs is the master bedroom with en suite bathroom and a further terrace. This house is in a great location 5 mins from San Pedro and just a little further from Puerto Banus. It is large enough to be a permanent residence and would also make a fantastic second home for family holidays.
