Representing a new pinnacle in luxury development, this extraordinary villa is offered at 11,500,000 €. It features an impressive 1,107 m² of meticulously crafted built space, encompassing 6 lavish bedrooms and 8 exquisite bathrooms, providing an extraordinary canvas for an elevated lifestyle.

From its privileged elevated position, the property commands truly awe-inspiring panoramic vistas. Gaze upon the verdant fairways of world-class golf courses, the shimmering expanse of the Mediterranean Sea, and the dramatic coastline stretching majestically towards the iconic Rock of Gibraltar and the distant shores of Africa. Every sunrise and sunset becomes a private spectacle, enjoyed from the comfort and privacy of your magnificent home.

This magnificent residence is meticulously crafted across three opulent levels, each designed with an uncompromising commitment to luxury and comfort. Step inside to discover voluminous main living areas bathed in natural light, accentuated by double-height ceilings that impart a sense of grandeur and airiness. The principal living space seamlessly extends to the expansive outdoor terraces through innovative, remote-controlled electric windows, blurring the lines between indoor comfort and alfresco splendor.

Culinary enthusiasts will delight in the provision of four distinct and fully equipped kitchens: a state-of-the-art main kitchen for gourmet creations, a practical service kitchen for behind-the-scenes preparation, a discreet personnel kitchen to ensure seamless service, and an inviting outdoor kitchen – each designed for specific gastronomic experiences, from intimate family meals to grand entertaining.

The exterior is an exquisite extension of the villa's luxurious interior. The main terrace is a masterclass in outdoor design, featuring elegant dining and relaxation zones, a captivating fire pit for starlit evenings, and the jewel in the crown: a shimmering infinity pool that appears to merge with the horizon, complete with an integrated hydro-massage zone. Adjacent to this, a lush, meticulously landscaped garden provides a serene sanctuary, perfect for tranquil moments or lavish garden parties.

The villa’s intelligent layout ensures privacy and comfort for all occupants. The ground floor hosts two remarkable en-suite bedrooms, each a private haven with its own secluded terrace, offering direct access to the garden and equally captivating views of the sea and golf course. Completing this level are a sophisticated private office and a tranquil library, perfect for contemplation or work. The right wing of this floor is dedicated to two additional, generously proportioned bedrooms, each featuring their own elegant en-suite bathrooms and private terraces, designed to provide unparalleled comfort and stunning vistas.
