Описание: Semi-detached bungalow located in the heart of Nueva Andalucía, within the established Los Dragos community. The property is arranged on a single level and offers direct access to private outdoor space and communal gardens. East-facing, providing morning sun and a bright interior. Internally, the property would benefit from renovation, presenting a clear opportunity to upgrade and add value. The community is well maintained and includes: Large communal swimming pool Gym Tennis and padel courts Off-street parking Mature landscaped gardens Positioned within the Golf Valley, with close proximity to multiple golf courses, amenities, and Puerto Banús. A straightforward renovation project in a prime, high-demand location. Contact us directly for further information or to arrange a viewing.
