Its elevated setting and sunny orientation create a bright, inviting home with a lovely outlook. Completely renovated in 2018, the apartment has been carefully maintained and still feels like new. The interiors offer a fresh, contemporary atmosphere, making this an appealing choice for anyone looking for a home ready to enjoy. A standout feature is the spacious glazed terrace, which provides a comfortable additional living area throughout the year. The glazing allows this space to be enjoyed across the seasons, adding considerably to the apartment's everyday appeal. The tropical gardens surround a heated swimming pool, providing an inviting setting for swimming, sunbathing and spending time outdoors. Residents also have access to several spaces for leisure and socialising, including a billiard room, library, gym, sauna and massage room. The building offers underground garage spaces with adjacent storage rooms and convenient lift access, making day-to-day living practical and comfortable.
