## Описание

The house has two floors of 115 square meters each and a private rooftop with spectacular views of the Mediterranean. Although it needs reform, its great potential makes it an exceptional opportunity to create a luxury residence, a cozy family home or an investment project for vacation rentals. Located on the beachfront and with direct access to the promenade, it is surrounded by local services, schools, public transport and restaurants. Just fifteen minutes from the center of Malaga and with excellent connection to the airport. It is ideal for those who want to reform and customize a house facing the sea, invest in a growing area or simply enjoy coastal life with all the amenities. In addition, in Mäklarhuset we accompany you throughout the process of buying, reform and interior design. We help you visualize the potential of this property and make it your ideal home or a profitable project. For more information, do not hesitate to contact us. We'll be happy to attend to you.
